Gardnertown Polo is pleased to celebrate its 15th year of Arena Polo with an exciting season ahead. While our core club has been together from the beginning we welcome new members as we are all great friends and fierce competitors.

We all enjoy the many old and new friends that come to play in our club chukkas & league matches, always looking forward to introducing the sport to new spectators & fans. We try to create an atmosphere that is conducive to family and friends and our heated viewing area is a great place for family fun.

Our charity tournaments bring people in from all over the area to enjoy what we consider to be the world's greatest sport. We have helped raise thousands of dollars for local charities, most recently Friends of Karen. During the season we travel to a number of clubs in the area including Yale, Cornell, Skidmore, UConn, Valley Forge Military and Shal-lowbrook and have been host to these clubs as well. Additionally, in 2004 we sponsored the first USPA Women's Arena Tournament in the Northeast.

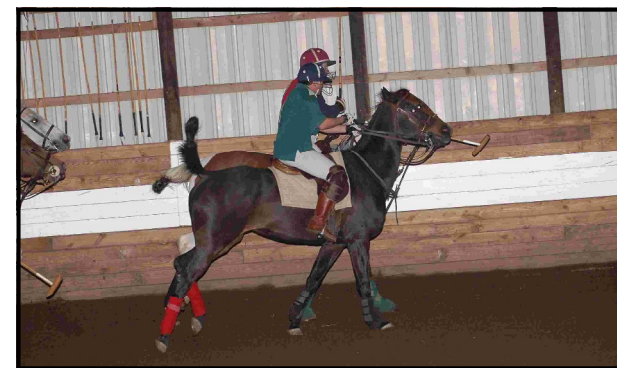

In 2001 we started the Vassar College Polo Team that has competed against all of the major schools in the Northeast. The team competed in the USPA Regional Tournaments for the past four years, traveling to Culver, Indiana and the UVa.

We invite all avid polo players and anyone interested in the game to be a part of our growing family.

## HORSES

Trained Polo ponies are available for seasonal lease or on a chukkar lease basis.
